Gu-Diao will make a baby-like cry to win sympathy, but it is said to eat people.

This is a kind of monster in China. It inhabits Lushan Mountain. It is said that there is no vegetation in this mountain and there are boulder everywhere.

About five hundred miles east of Luwu Mountain, there is a lacquered Wushan mountain. This mountain is also rich in vegetation and boulders. The sun is said to live in this mountain, but monsters also inhabit it.

This monster is extremely fierce, and if people sympathize with it, they will be disadvantaged.
